

## **New Technology Section Meeting**

Minutes

Friday April 8, 2010

### **1. Introduction**

Meeting was attended by Kathy Parker/Glenwood-Lynwood, Joy Anhalt/Tinley Park, Darren Thompson/Blue Island, Jeff Lewandowski/Hinsdale, Mary Golden/Joliet, Kristine Kinney/Schaumburg Township, Kate Hall/Park Ridge and Toby Greenwalt/Skokie

### **2. By-laws update**

Joy and Kate presented the bylaws. The committee reviewed the bylaws making changes as necessary. They final version will be presented at the first general meeting in October for approval by the membership.

### **3. Google Docs account – Toby Greenwalt**

Toby showed the group Google Docs and how to use.

### **4. Possible Programs for September**

Committee discussed possible programs for the upcoming year. A number of options were brought up: cloud computing, designing technology spaces, how to teach technology to the staff so they can do BI to the patrons, tech fair, tech trends.

The committee decided that for the first program on the 1<sup>st</sup> Thursday of October the subject would be Emerging Tech Trends. Kate Hall will contact Elmhurst Library to see if they can host. If Elmhurst is out then she will approach Elgin. The committee will add tech trends to the Google Docs folder that Toby set up and will iron out the presentation details at the next meeting. Meanwhile the program will be advertised at the April 30<sup>th</sup> Reaching Forward.

### **5. Questions/Concerns?**

The committee still needs to think of a snappy name for the section. Continue discussion at the next meeting.

Next meeting: Friday May 14' 10 am at Hinsdale Library
