      Chair: Kristine  
      Publicity Due: January 28, 2011      Publicity out: February 3, 2011  
          Sponsored by TBS?

The Technology Petting Zoo to be held in April. Kristine asked for some volunteers to be on a “sub-committee” of the Technology Section to help with planning.

Volunteers needed to assist with:

1. Contacting vendors to attend the event
2. Contacting vendors to sponsor the event (breakfast, lunch, snacks, t-shirts, raffles, any other ideas?)
3. Ordering lunches and organizing lunch at the event
4. Staff tables to talk about specific technology
5. Administrative duties: scheduling vendors, directional signs, library guides (LACONI t-shirts?)

Kate Hall and Jeff have agreed to help me with contacting vendors to attend the event and for sponsoring the event. We will also be looking into individuals who may be able to staff tables and talk about specific software and products.

At the meeting we quickly brainstormed ideas for the event. We thought to focus on the types of individuals who may be attending and broke down event invitees into groups.

Children Focus:

AWE (gaming computer)

Tumblebooks

Childrens Literature Comprehensive Database

DEMCO book reading station

Teen Focus:

Video Game Design (Alice, Scratch, Game Maker)

Movie Making

(Will see if we can get a speaker in, perhaps Brian from Wilmette or someone from Hinsdale possibly)

Rooms at Schaumburg have been booked –  
Rasmussen Room for vendors  
Classroom for demonstrations and lunch  
Adult Computer Lab for demonstrations  
Youth Services Computer Lab for demonstrations  
Youth Services Meeting Room for ??

3. Website updating  
Kate, Toby and Jeff are keeping the website current. PayPal should be active for our February program.
4. New business.  
Program idea: free web 2.0 programs. Feature an idea a minute?
5. Next meeting will follow the October program. Kristine, as chair of the Tech Fair, may call subcommittee meetings as needed.
