

WordPress Resources

Hadley Ford, IT & Digital Resources Librarian

River Forest Public Library

708-366-5205 x 319

hadley.ford@riverforestlibrary.org

Web Resources:

"WP 4 Lib" (This group of library-world WP users can be found on Webjunction, and via Google, Yahoo, or Facebook groups.)

WP Codex (codex.wordpress.org– many questions about WP can be answered by visiting the Codex first.)

Lynda.com (monthly pay site with intensive WP and other technology course options.)

Web Designer Depot (webdesignerdepot.com– reviews and features many WP themes.)

MakeUseOf (makeuseof.com– technology site that features several great free tutorials about WordPress, news, and more.)

SeeHowTwo (seehowtwo.com– watch short tutorial videos on WP.)

WordPress TV (wordpress.tv– watch longer tutorial videos from WP developers and Automattic staff members.)

Lorelle on WordPress (lorelle.wordpress.com– a great WP reference blog.)

WP Beginner (wpbeginner.com– a helpful blog for WP beginners.)

WP Recipes (wprecipes.com– a developer blog for WP.)

Open Source CMS (php.opensourcecms.com– use this site to compare features of popular CMSs. Includes live demos of many popular CMSs.)

CMS Match (cmsmatch.com– another site you can use to choose the right CMS for you.)
